Introduction

Hans Rubber & Sports Pvt. Ltd. (HRS) is one of the World's leading Manufacturer & Exporter of various sports goods & equipments such as Cricket Bats and Equipments, All types of Inflatable Balls and Accessories including Latex Rubber Bladders, Badminton, Sports Nets, Gym & Fitness products and various other sports accessories since 1975. As on date we have a large range of nearly 500 products under one roof.

Our factory situated at Meerut city is made as per International standards norms with optimum facilities for the workers. The factory is covered in an area of nearly 1.0 lac square meter and is largest factory in sports goods in India.

Since 1975 we have been supplying our products in various school, colleges, clubs, associations, sports departments, government tenders and multi-national companies. Many National & International Players and coaches have been using our products for nearly 4 decades now. The State & Central government have honored the Company with various awards year after year.

We have a full fledged testing laboratory in-house with latest Testing Machines like Digital Rheometer, Digital tensile Strength Testing Machine, Calibrated Digital Weighing Scales, Pressure Check Machine and Bounce Testing Machine etc. for regular checking & testing of raw materials, semi processed products and finished products that ensure stringent quality checks and control at all levels of the product made by us. We can sum up the entire in the following points.

- An ISO 9001:2008 Company.
- The Company is getting Export Excellence Award from Govt. of India Ministry of Commerce normally every year since 1993.

- The Company has the largest product range and wide distribution network throughout the Country and Overseas.

- Very strong brand image in National and International market. Many National and International Players and Coaches prefer to play with our equipments since decades.

- In house fully fledged test temporary for testing of raw materials, finished and semi-finished goods at all stages of production. Very rarely to be found in small scale industries, especially in sports good industry.

- We have a technically advances automatic bladder manufacture plant to produce defect free quality Latex Rubber Bladders for all types of balls.

- Social welfare programmes (As City Beautification) HRS Chowk.

More importantly, we have an endless list of satisfied Customers from all over the World and our Clients have stayed with us over the years.
